On behalf of Dynarex Corporation, I want to extend our sincere appreciation to you, and your wonderful staff at the Superdome Sports. Our 5th Annual Dynarex Day event held at your facility this year was spectacular!

The assistance from your staff and management made for a stress free set-up and all our activities were extremely well organized. The arrangements with our caterer, and the party room location worked perfectly for our program. I have run many events over my years for such programs and you definitely come out on top!

Your instructors/leaders were very enthusiastic and created a terrific environment for all the events that we planned out on the field. Our employees really enjoyed the events and they all had a great time!

I would highly recommend any company hosting an event for their employees to consider your facility for their venue. Once again, thank you for making our 5th Annual Dynarex Day a huge success.

Most sincerely yours,

John Burns
